## Databases - Current, Convenient, Reliable

• **NoveList K-8 Plus** - Wondering what to read next? Find fiction, nonfiction and everything in between.

• **Junior Edition: Grades 5-8** - Use this database to get started on social studies and science projects. Use your keywords.

• **eLibrary: Grades K-12** - This is a good general database for research projects. Try searching specifically for maps, photos or even podcasts.

• **Student Resources in Context** - Not sure where to start? Find articles, pictures, primary sources and more on science, social studies and people.

• **Biography in Context** - Search by name, occupation, nationality or browse special topics! You'll find articles, pictures, primary sources, recommended websites and more.

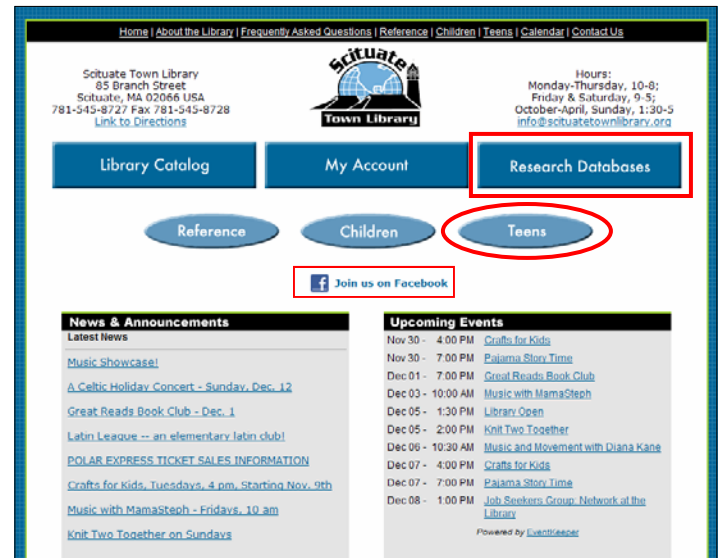

• **World History in Context** - Working on a social studies project? Look here for articles, primary sources, videos and more.

• **Science in Context** - Need science information? You'll find videos, articles, primary sources and lots more here.

**Always bring your card with you!**

Remember to bring your library card with you when you come to the library.
